Why would you like to be a Director of New Property Owners Association of Newport?

After living here for 28 years I would like to be involved in the decision making of this great community. This is where my wife and I have raised our sons and they now live here with their children. I have seen an abundance of growth since living here. I would like to help what has already started making this community a place where people want to come and be a part of the Newport family. Giving back to my community and being a part of the continued growth that is taking place in Newport is why I want to run for the Board of Directors. I have spent 39 years with the same company. I have lived here 28 years and this is where I plan on retiring. I have a great loyalty to this community and will do whatever it takes to make it better.
