(A) No lot clearing, construction or erection of improvements of any kind upon any land, including, without limitation, each lot contained in GOLF TERRACE, shall ever be commenced until the written approval of the Architectural Committee has been received. Pursuant thereto, the Architectural Committee shall not take action unless and until three (3) sets of plans and specifications required herein have been submitted to the Architectural Committee and the site has been prepared as specified in Subsection (B) below. Further, no building or other improvement shall ever be erected or constructed upon any land contained in GOLF TERRACE without first securing the appropriate regulatory agency building permits.

(B) The building site must be prepared as follows prior to applying for permits to start clearing and construction:

- (1) All property corners must be pinned and flagged and boundaries marked with string.
- (2) The location of all outer limits of all buildings, walks, driveways, and outbuildings must be staked and marked with string.

(3) All trees scheduled for removal must be marked with white engineer's tape.

(C) As hereinafter provided, all permits and/or approvals for the construction of improvements upon property designated with this classification shall be issued only after a thorough review of a complete and detailed set of construction plans of the proposed buildings and after a field inspection of the building site prepared as specified in Subsection (B) next above. Plans and specifications submitted to the Architectural Committee for approval shall include, without limitation, the following:

(1) Large-scale (1':30' or larger) Site Development Plan, showing the plan location of the residence, outbuildings, decks, patios, architectural street lights, drives, paths, landscapings, and all other proposed improvements to be located on the lot. Said Site Development Plan shall show the relationship between all structures and all boundaries. Metes and Bounds description of all boundaries shall be shown also. Said plan shall show the location, size, and species of all existing trees and shall indicate those trees which are to be removed in clearing the lot.

(2) Complete and detailed construction plans and specifications, to include without limitation a foundation plan, floor plans, framing plans, construction details, all exterior elevations, materials to be used, and exterior colors to be used.

(D) Improvement plans which, in the opinion of the Architectural Committee, are not consistent with the aesthetic character of GOLF TERRACE shall be returned to the applicant for revision.

No building or other improvement erected upon any land contained in GOLF TERRACE shall ever be so erected or constructed over or across the front, side or rear building setback lines as set forth and described on the Attachments A, B, C, D, E, F, G,

II, and I, provided, however, if the survey shown on Attachment J, attached hereto and incorporated herein, does not set forth and describe front, side and rear setback lines with respect to any tract contained in GOLF TERRACE herein restricted to residential purposes only then, as to such tract(s), the front setback line shall be sixty (60) feet. The side setback lines shall be zero on one side only. That is one side may be a common wall with the residence on the tract adjoining on either side, so long as on one side only. Unless otherwise approved by the Architectural Committee, each main residence shall face the front of the lot. Notwithstanding the foregoing, no building or other improvements shall ever be erected or constructed upon any lot contained in GOLF TERRACE prior to the time that a central sewage system and/or central water system is capable of serving such building or improvement. All buildings or other improvements constructed or erected upon any land situated in GOLF TERRACE subsequent to such time as a central sewage system and/or a central water system are capable of serving such building or improvements, must be connected to and the owners thereof must commence the use of such systems prior to the occupancy and use of such building or improvement.

SECTION 6 - UNDERGROUND ELECTRIC DISTRIBUTION SYSTEM

(A) An underground electric distribution system will be installed in that part of GOLF TERRACE designated herein as Underground Residential Subdivision, which underground service area embraces all of the lots which are platted in GOLF TERRACE at the time of execution of the agreement between Houston Light & Power Company and Corporation providing therefor or thereafter. In the event that there are constructed within the Underground Residential Subdivision structures containing multiple dwelling units such as duplexes, then the underground service area embraces all of the dwelling units involved. The owner of each lot containing a single dwelling unit, or in the case of a

duplex, the Owner/Developer, shall at his or its own costs, furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of electric company's metering at the structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company at the property line of each lot. The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. Corporation has either by designation on the plat of GOLF TERRACE or by separate instrument granted necessary easements to the electric company providing for the installation, maintenance and operation of its electric distribution system and has also granted to the various homeowners reciprocal easements providing for access to the area occupied by and centered on the service wires of the various homeowners, to permit installation, repair and maintenance of each homeowner's owned and installed service wires. In addition, the owner of each lot containing a dwelling unit shall at his or its own cost, furnish, install, own and maintain a meter loop (in accordance with the then current Standards and Specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for each dwelling unit involved. For so long as underground service is maintained in the Underground Residential Subdivision, the electric service to each dwelling unit therein shall be underground, uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

(B) The electric company has installed underground electric distribution system in the Underground Residential Subdivision at no cost to Corporation except for certain conduits, where applicable, and except as hereinafter provided, upon Corporation's

representation that the Underground Residential Subdivision is being developed for residential dwelling units, including single family homes and duplexes, all of which are designed to be permanently located where originally constructed, which are built for sale or rent and all of which multiple dwelling unit structures are wired as to provide for separate metering to each dwelling unit.

Further, no such structure of a temporary character, basement, tent, shack, trailer, camper, mobile home (even if affixed to realty), garage or other outbuilding shall ever be placed on or erected upon any land contained in GOLF TERRACE, provided, however, that the Architectural Committee may grant permission for such temporary buildings or structures to be so erected for the sole purpose of storing materials during the construction of permanent buildings and other improvements upon any of the lands in GOLF TERRACE and such temporary facilities may be constructed as are necessary while selling residences.

(B) Permanent outbuildings, such as cottages, maid and/or guest quarters, storage buildings, greenhouses, poolhouses, and gazebos may be built on the property, provided the architecture of such outbuildings matches the architecture of the residence, that the same permits and approvals as required for the residence are obtained, and that the outbuildings are constructed entirely within the building setback lines.

SECTION 8 - CONSTRUCTION PERIODS

Equipment for the storage or disposal of construction materials used in the construction of improvements erected upon any lot may be placed upon such lot within the setback lines at the time construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without undue delay, until the completion of the improvements, after which these materials shall either be removed from the lot or stored in a suitable enclosure on the lot. During the entire construction period, the home builder shall continuously maintain the frontage along GOLF TERRACE including the pavement, curb, gutter and the grassed area between the curb and the front setback line, to a high standard of appearance.

SECTION 9 - LOT GRADING AND FILLING

No trash, ashes, rubbish, garbage or any other refuse shall ever be thrown, dumped, maintained or otherwise allowed to exist upon any lot situated in GOLF TERRACE, except for such reasonable period of time, not to exceed seven (7) days, pending proper removal or disposal thereof and all such wastes prior to proper removal or

proper disposal thereof, shall be kept in proper containers. All incinerators or other equipment for the disposal or storage of such matter shall be kept and maintained in a clean, sanitary condition, and all incinerators and other apparatus used for the disposal of such waste shall be approved by the Architectural Committee before installation and initial use.

(B) All lots situated on GOLF TERRACE shall at all times be kept and maintained in a clean, healthful, sightly and wholesome condition. This restriction is modified in regard to normal sales activities conducted in order to sell homes in the subdivision and the lighting effects utilized to display model homes.

(C) All service yards, woodpiles and storage piles shall be walled in or kept screened in such a manner as to conceal them from adjacent lots and roadways.

(D) No trees shall ever be removed from any lot in GOLF TERRACE without obtaining the prior consent of the Architectural Committee.

SECTION 11 - BOAT AND TRAILER STORAGE

No truck, trailer, boat, boat trailer, travel trailer, camp trailer, house trailer, mobile home (even if affixed to realty) or other similar property shall ever be stored on any lot or parked on any street or driveway contained in GOLF TERRACE for a period longer than forty-eight (48) hours without the prior written approval of the Architectural Committee, or unless stored in a garage.

SECTION 12 - RADIO AND TELEVISION ANTENNA

No electronic antenna, satellite receiving dish or similar device of any type, other than an antenna for receiving normal television signals, shall be erected, constructed, placed or permitted to remain on any of the lots, houses, or buildings constructed in this subdivision. There shall be no outside CB or shortwave radio or similar antennas constructed upon any lot, tract or parcel of land in GOLF TERRACE. Television

be erected upon or allowed to exist upon any lot in GOLF TERRACE without the express prior written consent of the Architectural Committee; provided, however, this covenant shall not apply to the Corporation, or a successor in title to the Corporation engaged in the construction and sale of residences in GOLF TERRACE. The Corporation, or its assigns, will have the right to remove any sign, advertisement, or billboard or structure that does not comply with the above, and in so doing shall not be subject to any liability of trespass or other sort in connection therewith or arising with such removal.

No oil, gas or other mineral exploration or development operations, including without limitation, seismographic exploration, drilling, refining, mining, quarrying, tunneling, excavating, tank or pipeline construction and erection or any other similar activity or activities connected with mineral exploration or development shall ever be conducted or carried on upon any land in GOLF TERRACE; provided, however, nothing in the foregoing shall ever restrict the Corporation, its successors or assigns to carry on such activities in, on or under any lot, tract or parcel situated in GOLF TERRACE. Corporation hereby waives, and will waive in connection with any conveyance of GOLF TERRACE property, its right to use the surface of such land for exploration for a development of oil, gas and other minerals.

SECTION 17 - FENCES AND BOUNDARY PLANTINGS

All fences and boundary plantings in GOLF TERRACE must be approved by the Architectural Committee prior to installation.

SECTION 18 - LOT MAINTENANCE

The owners or occupants of all lots shall at all times keep all weeds and grass thereof cut in a sanitary, healthful and attractive manner and shall in no event use any lot for storage of materials and equipment except for normal residential requirements or

Any vacancy which shall occur shall be filled by the remaining member or members of the Architectural Committee as then constituted, or if no members remain, by the Corporation. The Architectural Committee may appoint advisory members or committees from time to time to advise it on matters pertaining to GOLF TERRACE.

SECTION 2 - DUTIES OF ARCHITECTURAL COMMITTEE

(A) The Architectural Committee shall perform and discharge or shall cause to be performed and discharged all those matters which are set forth in this instrument to be performed by the Architectural Committee.

(B) No Building or other improvement such as fences, patios, swimming pools or outbuildings shall be erected, placed or altered on any land in GOLF TERRACE until all plans and specifications have been presented to the Architectural Committee and approved by the Architectural Committee within forty (40) days from the receipt thereof. Should no action have been taken by the Architectural Committee within such forty (40) days, then and in such event all such plans and specifications presented to the Architectural Committee shall be deemed to have been approved, unless the Architectural

Committee shall give written notice prior to the expiration of such forty (40) days to the party presenting such plans and specifications that more than forty (40) days are required to review such plans and specifications, whereupon approval or disapproval of such plans and specifications showing the approval or disapproval of the Architectural Committee thereon, shall be returned to the person submitting them and the other copy thereof shall be retained by the Architectural Committee.

(C) The Architectural Committee shall have the right to disapprove any plans and specifications submitted to it in the event such plans and specifications are not in accordance with all of the provisions of this Declaration, if the design or appearance of the proposed building or other structure are not in harmony with the general surroundings of the lands in GOLF TERRACE or with the adjacent building or structures, if the plans and specifications are incomplete, or in the event the Architectural Committee deems the plans, specifications or details of the building or structure depicted thereon to be contrary to the interest, welfare or rights of all or any part of the owners of the lands adjacent thereto, all in the sole discretion of the Architectural Committee whose decision shall be final.

(D) Notwithstanding any of the foregoing, neither the Corporation, the Architectural Committee, nor any architect or agent thereof or of the Corporation shall ever be in any way responsible for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing nor with any structural or other defects in any work done according to such plans and specifications.

(E) The Architectural Committee shall have power to and may allow reasonable variances and adjustments to the restrictions set forth herein in order to overcome practical difficulties and to prevent unnecessary hardships in the application of the restrictions contained herein; provided, however, that such is done in conformity with

the intent and purposes hereof; and provided further, that in every instance such variance or adjustment will not be materially detrimental or injurious to the property or improvements situated in GOLF TERRACE. In any event, no variance shall be considered to be valid unless it has been granted in writing by the Architectural Committee.

(F) The Architectural Committee may also determine and allow in the respective classifications of lots, tracts and parcels of GOLF TERRACE additional uses which are of the same character and will not materially be detrimental to the owners of the other lots, tracts or parcels adjacent thereto.

(G) In the event there shall be governmental regulations which conflict with or prevent work of construction or improvements in the manner as required by this instrument, such circumstance shall be deemed and constitute a practical difficulty justifying the allowance of variances and adjustment of these restrictions in order to prevent unnecessary hardships; provided, however, that in every instance the variance or adjustment shall not be materially detrimental or injurious to the property or improvements situated at GOLF TERRACE.

IV.

CHARGES, ASSESSMENTS AND LIENS

SECTION 1 - GENERAL "NEWPORT" CHARGES AND ASSESSMENTS

(A) All lots, tracts and parcels situated in GOLF TERRACE are hereby subjected to a monthly maintenance charge for the purpose of maintaining the streets, roads and common facilities and areas of "NEWPORT".

(B) Each purchaser of a tract in GOLF TERRACE shall, by acceptance of a deed thereto or the signing of a contract or agreement to purchase the same, whether from the Corporation or a subsequent owner of such tract or tracts, bind himself, his heirs, personal representatives and assigns to pay all charges and assessments as shall be

determined and levied upon such lot and/or purchaser by Newport Yacht and Country Club, Inc., its successors and assigns and/or the Newport Property Owners Association, Inc. (hereinafter sometimes referred to as the "Organizations"), including interest on such charges and assessments and collection costs thereof, if any, including attorney's fees. The obligation to pay such charges, assessments, interest and costs constitutes a continuing charge upon and an obligation running with the land, and also the personal obligation of the person who was the owner of such property at the time when the assessment fell due and shall be secured by the lien referred to in subsection (C) of Section 2 below.

(C) Notwithstanding anything in the foregoing, no monthly maintenance charge shall ever be due or owing by the Corporation, its successors or assigns, by virtue of being the owner of any lot, tract or parcel situated in GOLF TERRACE.

SECTION 2 - LIENS

(A) All liens provided for under Section 1, subsection (B) next above shall be enforceable by appropriate legal proceedings, in the manner provided by law. No proceedings for enforcement of any such lien or liens shall be commenced except upon the expiration of four (4) months from and after the date the charge or assessment giving rise to such lien becomes due and payable.

(B) Liens of mortgages with first priority placed upon any of the property in GOLF TERRACE for the purpose of securing payment of purchase money for such property or for the purpose of constructing a residence or other improvement thereon, provided such mortgages are in favor of a financial institution, and recorded in accordance with the laws of the State of Texas, shall be from the date of such recordation superior to any and all other liens provided for herein. The Corporation may, at its option, execute further instruments to subordinate any and all liens provided for in

Section 1, subsection (B) next above to such mortgages. Any foreclosure of any such superior lien under the power of sale of any mortgage, deed of trust, or other security instrument, or through Court proceedings in which the Corporation has been made a party, shall cut off and extinguish the liens securing maintenance charges or assessments which became due and payable prior to such foreclosure date, but no such foreclosures shall free any lot from the liens securing assessments thereafter becoming due and payable, nor shall the liability of any Member personally obligated to pay maintenance charges or assessments which become due prior to such foreclosure, be extinguished by any foreclosure.

(C) Subject to the exceptions set forth above, said monthly maintenance charges and assessments imposed under Section 1, subsection (B), next above, together with all collection expenses and attorney's fees incurred in connection therewith, shall be secured by an express lien which is hereby expressly created and imposed upon each and every tract in GOLF TERRACE and every conveyance of any or all of the lots situated in GOLF TERRACE hereafter shall be made subject to such express lien. Such monthly maintenance charges and other sums shall be paid by each and every lot owner at the time, in the manner and at such place as Newport Yacht and Country Club, Inc., its successors and assigns, shall from time to time designate and said express liens are hereby transferred and assigned without recourse or warranty, express or implied, to Newport Yacht and Country Club, Inc.

(D) The Corporation may, at its option, by appropriate written instrument recorded in accordance with the laws of the State of Texas, subordinate or waive any and all liens imposed in Section 1, subsection (B) next above.

**SECTION 3 - ADMINISTRATION OF FUNDS FROM GENERAL
CHARGES AND ASSESSMENTS**

(A) Said Newport Yacht and Country Club, Inc., or the Corporation, or their

successors and assigns, shall have the power and authority to enforce collection of, collect, hold, administer and expend any and all monies, paid or to be paid, pursuant hereto to carry out the purposes hereof.

(B) Funds from similar maintenance charges collected from other sections of "NEWPORT", including previously-developed and future sections, may be pooled, merged and combined into and with the monthly maintenance charges set forth herein and all such monies may be pooled, merged and combined with the general funds of the Corporation.

(C) The monthly maintenance charge and liens securing the same which are herein provided shall remain in effect and shall be collectible until the restrictions, covenants and liens set forth herein shall be expired according to the provisions hereinabove set forth.

SECTION 4 - CHARGES AND ASSESSMENTS BY GOLF TERRACE
PROPERTY OWNERS ASSOCIATION, INC.

(A) Each purchaser of a lot, tract, parcel or parcels in GOLF TERRACE, by acceptance of a deed thereto, binds himself, his heirs, personal representatives, and assigns, to pay all charges and assessments as shall be determined and levied upon such parcel and/or purchaser by GOLF TERRACE PROPERTY OWNERS ASSOCIATION, INC., a Texas non-profit corporation (hereinafter called the "Owners Association"), including without limitation, interest on such charges and assessments, and the collection costs thereof, if any, including attorney's fees; and the obligation to pay such charges, assessments, interest and costs constitute a continuing charge upon and obligation running with and binding upon the title to the land, and also shall be a personal obligation of the person who was the owner of such property at the time when the assessment fell due.

(B) The charges and assessments which may be levied by the Owners Association under the provisions hereof are expressly limited in amount as follows, to-wit:

(1) For the calendar year 1984, the maximum monthly charge and assessment which the Owners Association may levy under the provisions hereof shall be Sixty Dollars (\$60.00) per month for each "Class A Lot" (defined below) and One Dollar (\$1.00) per month for each "Class B Lot" (defined below); and

(2) For the calendar year 1985 and all subsequent calendar years, the maximum monthly charge and assessment which the Owners Association may levy under the provisions hereof shall be the "Applicable Amount" (defined below) per month for each Class A Lot and One Dollar (\$1.00) per month for each Class B Lot.

As used herein, the term "Class A Lot" shall refer to and mean each lot of land in GOLF TERRACE, owned and occupied by a resident or occupied by a lessee and on which a single family residence has been constructed. Each lot in GOLF TERRACE shall become a Class A Lot upon conveyance or lease of such lot to such residential occupant or lessee and upon such conveyance, the current charge and assessment shall commence to accrue and be payable. As used herein, the term "Class B Lot" shall refer to and mean each lot of land in GOLF TERRACE which is not a Class A Lot on the date such determination is being made. Initially all lots of land in GOLF TERRACE are Class B Lots, but upon completion of construction and upon conveyance of a lot, which is then a Class B Lot, to a residential occupant, or the lease of same to a lessee, such lot automatically on the date of conveyance or lease becomes a Class A Lot. As used herein, the term "Applicable Amount" shall refer to and mean the amount derived by dividing the "Total Projected Annual Cost" (defined below) by the number of Class A Lots determined as of January 1 of the calendar year for which the Total Projected Annual Cost is being determined. As used herein the term "Total Projected Annual Cost" shall refer to all costs, expenses and expenditures which the Board of Directors of the Owners Association

shall have determined will be incurred or made by the Owners Association for the said calendar year. Provided, however, no increase by the Board of Directors in the Total Projected Annual Cost which exceeds twenty-five percent (25%) of the previous year's cost shall become effective unless and until such increase is ratified by the members of the Owners' Association.

(C) All liens created in this Section 4 shall be enforceable by appropriate legal proceedings, in the manner provided by law. No proceedings for enforcement of any such lien or liens shall be commenced except upon the expiration of four (4) months from and after the date the charge or assessment giving rise to such lien become due and payable.

(D) Liens of mortgages with first priority granted upon any of the property in GOLF TERRACE for the purposes of securing payment of purchase money for such property, or for the purpose of constructing a residence or other improvements upon such property, and in either case recorded in accordance with the laws of the State of Texas, shall be from the date of such recordation superior to any and all liens imposed upon such property for the payment of such charges and assessments as may be levied by the Owners Association as herein provided. The Owners Association, if requested, may execute further instruments to subordinate any and all liens created herein to secure payment of such charges and assessments as may be levied by it upon the property in GOLF TERRACE. Any foreclosure of any such superior lien under the power of sale of any mortgage, deed of trust, or other security instrument, or through Court proceedings in which the Corporation has been made a party, shall cut off and extinguish the liens securing maintenance charges or assessments which became due and payable prior to such foreclosure date, but no such foreclosures shall free any lot from the liens securing assessments thereafter becoming due and payable, nor shall the liability of any Member personally obligated to pay maintenance charges or assessments which become due prior

to such foreclosure, be extinguished by any foreclosure.

(E) Subject to the exceptions set forth in subsection D next above, the charges and assessments imposed in this Section 4 on the lots, tracts and parcels of GOLF TERRACE, together with all collection expenses and attorney's fees incurred in connection therewith, shall be secured by an express lien which is hereby expressly created and imposed upon each and every lot, tract and parcel in GOLF TERRACE, and every conveyance of all or any of the lots, tracts or parcels situated in GOLF TERRACE, hereafter made, shall be made subject to such express lien imposed in this Article IV. The charges and assessments and other sums shall be paid by each and every lot owner at the time, in the manner and at such place as the Owners Association, its successors or assigns, shall from time to time designate and said express liens are hereby expressly transferred and assigned, without recourse or warranty, expressly or implied, to the Owners Association.

(F) The Owners Association, or its successors and assigns, shall have the power and authority to enforce collection, collect, hold, administer and expend any and all monies paid or to be paid pursuant hereto and to carry out the purposes hereof.

(G) The charges, assessments and liens securing same which are hereby imposed upon the lots, tracts and parcels of GOLF TERRACE, shall remain in effect and shall be collectable until the restrictions, covenants and liens set forth in this Declaration, shall have expired according to the provisions thereof.

(H) Each owner of a lot in GOLF TERRACE shall be a member of the Owners' Association, and shall be entitled to one vote for each lot in GOLF TERRACE in which he holds an interest, provided that in no event shall more than one vote be cast with respect to any one lot and the vote for any lot owned by more than one person shall be exercised as they among themselves determine.

V.

REMEDIES FOR VIOLATIONSSECTION 1 - GENERAL

All restrictions, covenants and liens herein contained shall be applicable to and binding upon all of the tracts in GOLF TERRACE and the owners thereof, irrespective of the source of title of such owners. All breaches thereof, if continued for a period of in excess of thirty (30) days from and after the date the Corporation or any other property owner or owners shall have notified in writing the owner or resident in possession of the land upon which or as to which such breach has been committed to refrain from the continuance of such action and to correct such breach, shall warrant the Corporation or other land owner, to apply to any court of law or equity having jurisdiction thereof for an injunction or other proper relief. If such relief be granted by said court, all reasonable expenses in prosecuting such suit, including attorney's fees, shall be reimbursed by said land parcel owner against whom such suit was so prosecuted.

SECTION 2 - APPLICABILITY

Notwithstanding anything in the foregoing, no violation of the restrictions and covenants set forth or foreclosure of the contractual liens created herein shall in any way defeat or render invalid the lien of any deed of trust or mortgage made in good faith for value as to any lands or portion thereof situated in GOLF TERRACE. Such restrictions, covenants, and vendor's liens shall be enforceable against and apply to all or any portion thereof acquired by any person through foreclosure or by deed in lieu of foreclosure. All remedies herein set forth shall be available and enforceable for any violation of the restrictions, covenants or contractual liens herein contained, occurring after the acquisition of said property through foreclosure, or deed in lieu of foreclosure.

VI.

MISCELLANEOUSSECTION 1 - ACCEPTANCE

Each purchaser and grantee of the lands and each part thereof subject to the restrictions, covenants, and liens set forth herein, by acceptance of a deed conveying title thereto, shall accept such title upon and subject to each and all the restrictions, covenants and liens herein contained, as well as the rights and powers of the Corporation. By such acceptance said purchaser shall for themselves, their heirs, personal representatives, successors, and assigns, covenant, consent and agree to and with the Corporation and to and with the owners and subsequent grantees of all the lands and each portion thereof situated in GOLF TERRACE, to keep, observe, comply with and perform said restrictions and covenants and be subject to the liens all as set forth herein.

SECTION 2 - ADDITIONS BY CORPORATION

The Corporation, its successors and assigns, shall have the right to bring within the scheme of this Declaration additional properties in future stages of the development (including, without limitation, subsequent sections of NEWPORT and all or portions of other subdivisions being or to be developed by Corporation or affiliated or subsidiary entities), upon the approval of the Board of Directors of the Owners Association, in its sole discretion. Any additions authorized under this section shall be made by filing of record a Supplemental Declaration of Reservations, Restrictions, Covenants and Liens with respect to the additional property which shall extend the scheme of the covenants and restrictions of this Declaration to such property and the execution thereof by members of the Board of Directors of the Owners Association shall constitute all requisite evidence of the required approval thereof by such Board of Directors. Such Supplemental Declaration must impose an annual maintenance charge assessment on the property covered thereby, on a uniform, per lot basis, substantially equivalent to the maintenance

charge and assessment imposed by this Declaration, and may contain such complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be applicable to the additional lands.

SECTION 3 - NON-WAIVER

No delay or omission on the part of the Corporation or the owner or owners of any lands situated in GOLF TERRACE in exercising or enforcing any lien, right, power or remedy, herein provided for in the event of any breach of any of the restrictions and covenants herein contained, shall be construed as a waiver thereof or acquiescence therein. No right of action shall accrue, nor shall any action be brought or maintained by anyone whomsoever against the Corporation for or on account of its failure or neglect to exercise any right, power or remedy herein provided for in the event of such breach, or for imposing herein restrictions and covenants and liens which may be unenforceable.

SECTION 4 - REMEDIES CUMULATIVE

The various rights and remedies of the Corporation and the owners of the lands in GOLF TERRACE as heretofore set forth are and shall be cumulative of and in addition to each other and those provided by law. All of them may be used, relied upon, resorted to and enforced without any way affecting the ability of the Corporation or said property owners to use, rely upon, resort to and enforce the other, or any of them.

SECTION 5 - NUMBER AND GENDER

All words used herein in the singular number shall extend to and include the plural; all words used in any gender shall extend to and include all genders; all unless the particular context in question shall specifically provide otherwise.

SECTION 6 - CAPTIONS

The captions of the various paragraphs hereof are for convenience only and are not a part hereof and do not in any way limit or amplify the terms or provisions hereof.
