- k. *Traffic Sight Lines.* No landscaping that obstructs traffic sight lines may be placed on any Lot.
- l. *Sidewalks.* When the Residence is constructed, the Lot must be improved with sidewalks connecting the sidewalks on adjacent Lots. Each lot owner is responsible for maintaining the sidewalk along their lot line(s) in good order and repair.
- m. *Landscaping.* Landscaping must be installed by the builder prior to occupancy. The minimum landscaping in the front yard shall match the requirements as set forth in the Builder Guidelines, which includes one 65-gallon yard tree species at least three inches (3.0") in circumference as measured 12" above grade, one 15-gallon vertical accent tree, ten 5-gallon evergreen shrubs, ten 5-gallon flowering shrubs, and fifteen 1-gallon small groundcover and any other items specified in the standards of the ACC. Occupants are prohibited from removing trees without the consent of the ACC.

An area of open space is required at all corner lots where intersections occur. These intersections shall be unobstructed to permit pedestrian and vehicular view when near an intersection. No trees or other potentially opaque landscaping is permitted in this area.

- n. *"Good Neighbor" Fencing between Lots.* The fencing shall be six-foot by six-inch (6' x 6") cedar pickets constructed with six foot by six foot (6' x 6') alternating panels facing each Lot. This provision is intended to apply (i) to all side fences that separate Lots in the Subdivision, and (ii) to the rear fences that separate Lots in the Subdivision. Lots which back up to reserves or easements and are otherwise considered viewable by the public shall have a fence with the "good side out" and the outside facing the street, reserves or golf course shall be stained with the color approved by ACC, where all posts and cross-beams are viewed from the interior on the Lot. Each Owner shall be obligated to maintain and replace wooden fencing on the common boundary line between their respective Lots.
- o. *Back yard fencing along the golf course.* The fencing shall be six-foot by six-inch (6' x 6") cedar pickets constructed with six foot by six foot (6' x 6') panels facing the golf course. This provision is intended to apply (i) to all rear lot fences along the golf course. Lots which back up to the golf course or to reserves or easements and are otherwise considered viewable

by the public shall have a fence with the “good side out,” and stained in a color approved by ACC where all posts and cross-beams are viewed from the interior on the Lot. Each Owner shall be obligated to maintain and replace wooden fencing for their respective lot along the golf course, reserve, or easement. No gates are permitted opening on to the golf course of any reserve.

- o. *Golf course setbacks.* There are no rear-lot golf course setbacks for lots backing up to the golf course.

3. *Building Materials for Residences and Structures.*

- a. *Roofs.* Only three dimensional composition asphalt shingles with a minimum of twenty-five (25) year life may be used on Residences and Structures, unless otherwise approved by the ACC. All roof stacks must be painted to match the roof color.
- b. *Air Conditioning.* Window or wall type air conditioners may not be used in a Residence.
- c. *Exterior Walls.* Unless otherwise approved by the ACC, the front and side facades of all Residences must have an exterior finish that is at least 50% masonry (stone, brick and/or stucco) for the entire first story of the Residence, including any exposed foundation but excluding windows and doors. The rear facade of the Residence and the second story of the Residence, if any, may have an exterior finish of hardiplank or other material approved by the ACC.
- d. *Color Changes.* No material change to the color of the exterior walls, trim, or roof or a Residence will be permitted, unless otherwise approved by the ACC.
- e. *Driveways and Sidewalks.* All driveways and sidewalks must be re-enforced and surfaced with concrete as required in the ACC Guidelines, unless otherwise approved by the ACC. Driveways and sidewalks may not be surfaced with dirt, gravel, shell or crushed rock.
- f. *Lot Identification.* Lot address numbers and name identification must be aesthetically compatible with the Subdivision.

E. Association.

- 1. *Establishment and Governance.* The Association is an active nonprofit corporation in the State of Texas that is governed by the Bylaws. The Association has the powers of a non-profit

corporation and a property owner's association under the Texas Business Organizations Code, the Texas Property Code, and the Governing Documents.

2. *Rules.* The Board may adopt rules and guidelines that do not conflict with law or the other Governing Documents. Upon request, Owners will be provided a copy of the rules and/or guidelines.

3. *Membership and Voting Rights.* Every Owner is a Member of the Association. Membership is appurtenant to and may not be separated from ownership of a Lot. The Association has one class of voting Members:

a. Class A. Class Members are all Owners, including Declarant. Class A Members have one vote per Lot. When more than one person is an Owner, each is a Class A Member, but only one vote may be cast for a Lot.

4. *Other Sections and Subdivisions Also Governed by the Association.* Notwithstanding any provision of these Deed Restrictions apparently to the contrary, the Association is expected to also serve as the homeowners' association for certain other adjacent and nearby neighborhoods (collectively, the "Newport Subdivision") that are served by a single Board and all have access to certain common amenities (the "Neighborhood Amenities"). Voting for the Board shall be handled in accordance with the Bylaws; and in this regard, a single election may take place to elect one Board to simultaneously serve for all neighborhoods of the Newport Subdivision.

5. *Use of Neighborhood Amenities.* The Owners shall be entitled to use the Neighborhood Amenities and shall have the same rights and obligations with respect such usage as are then held by residents of the other Newport Subdivisions.

F. ACC.

1. *Establishment.*

a. *Purpose.* The ACC is established as a committee of the Association to assist the Association in assuring that all Residences, Structures and landscaping within the Subdivision are aesthetically compatible and conform to the Governing Documents.

b. *Members.* The ACC consists of at least five persons appointed by the Board. The Board may remove or replace an ACC member at any time.

c. *Term.* ACC members serve for one (1) year and may be reappointed or replaced by the Board as provided in the By-laws.

- d. *Standards.* Subject to Board approval, the ACC may adopt guidelines that do not conflict with the other Governing Documents to carry out its purpose. Upon request, Owners will be provided with a copy of any guidelines.
- e. *Variances.* The ACC shall have the power to and may grant all reasonable variances and adjustments to the restrictions set forth in these Deed Restrictions or the plat in order to overcome practical difficulties and to prevent unnecessary hardships in the application of the restrictions contained herein; provided however, that such is done in conformity with the intent and purposes hereof; and, provided further, that in every instance such variances and adjustments may not be materially detrimental or injurious to other property, improvements or the owners thereof. Such variances and adjustments as may be granted hereunder may include, without limitation, the height, size and building set back restrictions as set forth herein or on the Plat.

Notwithstanding the foregoing, all requests for variances made by a builder (or that otherwise relate to the initial construction of a new home on a Lot) shall be subject to the approval of the Declarant, and the Declarant shall have the power to approve all such variance requests at its discretion; provided, however, that the Declarant's power to approve such variance requests shall terminate, as to a specific Lot, when the Lot in question has been conveyed to a third party homebuyer who has finally accepted, and taken possession of, a newly-constructed home built on such Lot. In addition, the Declarant shall no longer approve variance requests, and the ACC shall have the exclusive power to approve all variance requests, upon the occurrence of either of the following events: (i) the Declarant no longer owns any Lots in the Subdivision; or (ii) no construction activities have occurred in the Subdivision for a period in excess of twelve (12) consecutive months (or for such longer period as is agreed to by the ACC and the Declarant) and Declarant shall have failed to maintain the Lots in the Subdivision that are owned by it (after written notice from the ACC and a reasonable cure period of no less than 14 days).

2. *Plan Review.*

- a. The Gulf Coast series from the Builder has been pre-approved for all floor plans greater than 1,400 square feet.
- b. Provided the home being built is from the Gulf Coast series, other than the form survey, no further review of plot plans from Builder is required by the ACC.

c. *Liability.* The Association, the Board, the ACC, and their members will not be liable to any person submitting requests for approval or to any Owner by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove any request.

G. Assessments.

1. *Authority.* The Association may levy Assessments to promote the recreation, health, safety, and welfare of the residents in the Subdivision, to fund operating expenses of the Association, and to improve and maintain the Common Areas.
2. *Personal Obligation.* An Assessment is a personal obligation of each Owner when the Assessment accrues.
3. *Creation of Lien.* Assessments, costs, late charges, interest and reasonable attorney's fees are secured by a continuing vendor's lien on each Lot, which lien is reserved by the Declarant and assigned to the Association. By acceptance of a deed to a Lot, each Owner grants the lien, together with the power of sale, to the Association to secure Assessments. Any attorney's fees that are also incurred by the Association as a result of deed restriction violations are also secured by a continuing vendor's lien on each Lot, which is reserved by the Declarant and assigned to the Association.
4. *Commencement.* A Lot becomes subject to Assessments on conveyance of the Lot by the Declarant, and consequently, the Declarant is not obligated to pay Assessments or fines.
5. *Regular Assessments.*
 - a. *Rate.* Regular Assessments are levied by the Board, annually, to fund the anticipated operating and maintenance expenses of the Association. Until changed by the Board, the Regular Assessment is \$55.00 per month per Lot.
 - b. *Changes to Regular Assessment.* Regular Assessments may be changed annually by the Board. Written notice of the Regular Assessment will be sent to every Owner at least thirty (30) days before its effective date.
- c. *Collections.* Regular Assessments will be collected monthly in advance, payable on the first day of the month and on the same day of each succeeding month of each year. Assessments on lots will begin when transferred by Declarant to Builder.

6. *Special Assessments.* In addition to the Regular Assessments, the Board may levy Special Assessments for the purpose of funding the cost of any construction, reconstruction, repair, or replacement of any capital improvement on the Common Area, or for any other purpose benefitting the Subdivision but requiring funds exceeding that available from the Regular Assessments. Written notice of the terms of the Special Assessment will be sent to every Owner. Notwithstanding the foregoing, no Special Assessment shall be made or sought without the prior approval of the Declarant until such time as the Declarant no longer owns any Lots in the Subdivision.

7. *Fines.* The Board may levy a fine against an Owner for a violation of the Governing Documents as permitted by law. The amount of the fine will be determined by the Board.

8. *Subordination of the Lien to Mortgages.* The lien granted and reserved to the Association is subordinate to any purchase money lien granted by an Owner against a Lot. The foreclosure of the superior lien extinguishes the Association's lien as to Assessments due before the foreclosure.

9. *Delinquent Assessment.* No proceedings for enforcement shall be filed on any account within one hundred twenty (120) days of the delinquency.

H. Remedial Rights.

1. *Late Charges and Interest.* A late charge of \$5.00 per month is assessed for delinquent payments. Delinquent Assessments accrue interest at the rate of six percent (6) per annum. The Board may change the late fee and interest rate.

2. *Costs, Attorney's Fees and Expenses.* The Owner is liable to the Association for all costs and reasonable attorney's fees incurred by the Association in collecting delinquent Assessments, foreclosing the Association's lien, and enforcing the Governing Documents, which include deed restriction violations.

3. *Non-Judicial Foreclosure of Lien.* The Association may foreclose the Association's lien against a Lot by power of sale if and to the extent permitted by law. The Association may designate a person to act as trustee or otherwise to exercise the power of sale on behalf of the Association.

4. *Judicial Enforcement.* The Association may bring an action against an Owner to collect delinquent Assessments, foreclose the Association's lien, and/or enforce and/or enjoin a violation of the Governing Documents.

- RP-2022-285059
5. *Suspension of Other Rights.* If an Owner violates the Governing Documents, the Association may suspend the Owner's rights under the Governing Documents in accordance with law until the violation is cured.
 6. *Damage to Property.* An Owner is liable to the Association for damage to Common Areas caused by the Owner, or the Owner's family, guests, agents, independent contractors, and invitees in accordance with law.
 7. *Association's Right to Cure.* The Association shall have the right, but not the obligation, to cure an Owner's violation of these Deed Restrictions. Prior to curing any violation, the Association shall provide the Owner at least thirty (30) days written notice of, (i) the violation, (ii) the Association's intention to cure the violation on the Owner's behalf, and (iii) notice of the Owner's right to have a hearing before the Board. Except as provided below, the Association's right to cure shall accrue upon the expiration of such thirty (30) days or, in those instances where an Owner requests a hearing and the result of the hearing is a finding that a violation exists, upon the Board providing notice of its decision. Any funds spent by the Association in exercising its right to cure shall be reimbursed to the Association by the applicable Owner and shall be considered "costs" secured by the Association's lien (as referenced in Section G, Paragraph 3 of these Deed Restrictions). The Association shall have a right to access an Owner's Lot (and any Residence or Structure built on such Lot) for the purpose of exercising its cure rights under this Paragraph 7. All amounts reimbursable to the Association by an Owner under this Paragraph 7 shall accrue interest at ten percent (10%) per annum. Violations for failure to keep grass cut to an acceptable length are subject to this provision, except that the notice to the Owner shall inform the Owner that despite the right to request a hearing within thirty (30) days, the Association shall have the right to enter their Lot and cut the grass should the condition continue to exist after the expiration of ten (10) days from the date of the notice. The costs for any lawn cutting services will not be charged to the Owner unless no hearing is requested or the outcome of a hearing is a finding that the condition was a restriction violation. Notwithstanding the foregoing, the Association's right to cure shall not apply to Lots owned by the Declarant.

I. Common Area.

1. *Common Area Easements.* Upon the Declarant's conveyance of the Common Area to the Association, each Owner shall have an easement in and to the Common Area, subject to the usage restrictions set forth on the Plat and the right of the Association to:

- a. Charge a reasonable admission and other fees for the use of recreational facilities situated on the Common Area (if any). If an Owner does not pay these fees, the Owner may not use the recreational facilities.

- b. Suspend an Owner's rights under the Governing Documents.
- c. Grant an easement approved by the Board over the Common Area for utility, drainage, or other purposes.
- d. Dedicate or convey any of the Common Area for public purposes, upon approval by a vote of two-thirds of the Directors at a meeting in accordance with the Bylaws.

Prior to the Declarant's conveyance of the Common Area to the Association, the Declarant may grant an easement over the Common Area for utility, drainage, or other purposes and/or dedicate or convey any of the Common Area for public purposes with the written consent of the Board, provided such consent shall not be unreasonably withheld.

- 2. *Permitted Users.* An Owner's right to use and enjoy the Common Area extends to the Owner's family, guests, agents, and invitees, subject to the Governing Documents.
- 3. *Unauthorized Improvements in Common Area.* An Owner may not erect or alter any Structure on, or clear, landscape, or disturb any Common Area except as approved by the Board.

J. General Provisions.

- 1. *Term.* These Deed Restrictions run with the land and are binding in perpetuity.
- 2. *No Waiver.* Failure by the Association or an Owner to enforce the Governing Documents is not a waiver.
- 3. *Corrections.* The Declarant may correct typographical or grammatical errors, ambiguities, or inconsistencies contained in these Deed Restrictions, provided that any correction must not impair or affect a vested right of any Owner.
- 4. *Amendment.* The Declaration may be amended at any time by vote of seventy-five percent (75%) of the owners of the Lots. An instrument containing the approved amendment must be signed by the approving Owners and recorded.
- 5. *Conflict.* These Deed Restrictions control over any other Governing Documents.
- 6. *Severability.* The provisions of these Deed Restrictions are severable. If any provision of these Deed Restriction is invalidated or declared unenforceable, the other provisions remain valid and enforceable.

7. *Notice.* Any notice required or permitted by the Governing Documents must be in writing. To the extent required by law, notices regarding remedial rights must be given by certified mail, return receipt requested. All other notices may be given by regular mail. Notice is deemed delivered (whether actually received or not) when properly deposited with the United States Postal Service, addressed to: (1) an Owner at the Owner's last known address according to the Association's records, and (2) the Association, the Board, the ACC, or a managing agent, at the Association's principal office, or another address designated in a notice to the Owners. Unless otherwise required by law or the Governing Documents, actual notice, however delivered, is sufficient. It is the Owner's responsibility to notify the Association of any change to their mailing address.
