I would like to help the board and the NPOAN to continue to improve our community as well as preserve the peaceful, serene and secluded feel of Newport that attracted me to the area. Given my professional background, I would be available to provide legal assistance, as needed, to the board and the NPOAN at no charge.

DAN WEBB - Newport Resident 17 years

With my experience, training and education in Law Enforcement with Nationwide contacts I believe would be an asset to the board when it comes to security and law enforcement procedures.
